INFORMATION DISCLOSURE STATEMENT
Under 37 CFR § 1.97(b)

This Information Disclosure Statement is filed within three months after the filing date of this application or before the mailing of an Office Action on the merits, whichever event occurs last, and therefore is considered timely under 37 CFR §1.97(b).

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR §1.56(g)), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13, at 25.

This Information Disclosure Statement is made to comply with the duty of candor imposed on all individuals associated with the filing or prosecution of this application, as defined by 37 CFR §1.56(c).

A list of the one hundred and twenty-two (122) U.S. patents and the four (4) foreign patents cited by the applicant are enclosed on seven sheets of Form PTO/SB/08A, and a list of the thirty (30) non-patent literature documents cited by the applicant are enclosed on three (3) sheets of Form PTO/SB/08B which are attached and made a part hereof. Copies of cited U.S. references are not enclosed, copies of the foreign and non-patent literature are enclosed.

This Information Disclosure Statement is based on information contained in the undersigned attorney file as of the date of this statement and is inclusive of the best information known to the undersigned at that date.

The Examiner is kindly requested to consider the Information Disclosure Statement in addition to any references identified by the Examiner as a result of his independent search and examination.

Respectfully submitted,

HAHN LOESER & PARKS LLP
